

Adult Course Guide 2024

Accredited by the

for the teaching
of English in the UK

Welcome to St Brelade's College

Our English programmes for adults are designed to encompass all aspects of your stay, so that you can maximise your learning & leisure experiences on the beautiful & friendly island of Jersey.

The language centre is second generation, family-run and we are strongly committed to providing quality English tuition. Our aim is to help you achieve your specific learning needs and communicate with confidence in a comfortable environment.

English lessons are combined with a diverse social programme so that you can continue learning outside the classroom and can get a sense of Jersey's outdoor lifestyle, landscape and heritage in the company of other international students.

St Brelade's College

Our principles remain the same today as in 1978 when the school was founded; to provide relevant and motivating English lessons as part of a comprehensive learning package.

Teaching Methods

St Brelade's College is the only British Council accredited school in the Channel Islands.

Our structured syllabus, with a focus on communication, has been devised in order to bridge the gap between what you learn in the classroom and what's outside the door. We use up-to-date course books enhanced by stimulating activities and authentic media.

We encourage you to work towards your learning goals and gain confidence through flexible & engaging classes planned to meet individual needs.

We promote continual learning for our teachers, through internal workshops, appraisals and training courses so that their teaching styles and skills are in line with modern practice.

Student Feedback

What you write in your mid and end of course feedback is important to us, in order for us to check your satisfaction during your stay and also to help us improve our programmes in the future.

"The courses were taken by experienced and dedicated teachers who were very interesting."

Facilities

Adult courses take place from April to November at our main school in St Aubin. Courses for other age groups also take place here at certain times of the year.

- » Capacity: 50-80 students
- » 12 bright and traditional classrooms
- » Adult student lounge in an attractive log cabin, alongside the main building
- » Picnic area with woodland views
- » Drink & snack machines
- » Magazines, English books and DVDs available to read and borrow
- » Office staff, ready to provide extra information and help arrange activities and excursions
- » WiFi throughout

Location

Our main school, St Brelade's College occupies a charming 19th century granite building a short walk from the picturesque harbour village of St Aubin.

The school is positioned amongst lush woodland, ideal for quiet and focused study. Just down the hill in St Aubin, students can find the adult residence, beach, harbour-front promenade with restaurants, bars & cafes and all the necessary amenities, including a supermarket, cash machine & post office.

Bus routes connect St Aubin to the main town, St Helier and airport in 20-30 minutes and woodland paths & beach promenades make the area perfect for walking & cycling.

The Island of Jersey

A small, yet well-connected island with a vibrant way of life. Jersey is a delightful place to get to know, either in your free-time or as part of our social programme.

About Jersey

Jersey is the largest of the Channel Islands, a distinctive collection of British islands located between France and England.

Although it is relatively small, it has a sizeable international population and varied tourist attractions. Breathtaking beaches with golden sands and rocky landscapes define the coastline, providing a haven for outdoor living. Remnants of Jersey's unique history can be seen from its castles, Napoleonic fortresses and World War II fortifications along the coastline and Neolithic burial sites found amongst the lush inland countryside.

The island provides a warm and welcoming setting for our courses, with locals known for their open & friendly attitude.

The lively main town of St Helier has a pedestrianised area with shops for varying tastes and restaurants serving local seafood and international cuisines.

Getting to Jersey

As a prominent offshore financial centre Jersey is well connected to Europe. Regular ferries from France and direct flights from Germany & Switzerland allow for uncomplicated travel. You can also travel via London Gatwick, Heathrow and other UK airports.

Our homestay providers will collect you straight from the harbour or airport at no extra cost.

Adult English Courses

Individual & group English tuition to meet your learning needs, combined with a diverse social programme embracing Jersey's finest sights & attractions.

The school is open for adult English courses from April until November (other than winter private tuition and online tuition which can be taken outside of these dates).

Accommodation

Stay privately with one of our carefully selected local hosts or opt for our sociable international residence close to the study centre in the harbour village of St Aubin.

Homestay

Staying with a local & English-speaking host whilst in Jersey is one of the best ways to discover more about the island, culture and people. Our hosts welcome you into their homes and provide a casual & supportive environment in which you can continue your English experience.

We work closely with hosts around the island, many of whom have been working with us for numerous years, granting us the knowledge to place students appropriately.

In accordance with British Council regulations, our hosts are visited and checked regularly by our Student Services department, who also check them through the relevant authorities.

This option is ideal if you want to immerse yourself in Jersey life or are looking for reasonably priced accommodation over the short or longer term.

What to Expect
